

**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**  
**Declaration For Utility Patent Application And Power Of Attorney**

Att'y Doc # 0516-01C  
Express Mail #EL 984795608 US

As a below-named inventor, I hereby declare that my residence, post office address, and citizenship are as stated below next to my name. I believe that I am the original, first, and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention, the specification of which is attached hereto and which has the title of:

**PHOTOSENSOR CONTROL UNIT**

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to in this declaration. I acknowledge a duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I hereby claim the benefit under 35 U.S.C. 119(e) of any United States **Provisional** application(s) listed below: **Application number 60/456,111, filed March 20, 2003.**

I hereby claim the benefit under 35 U.S.C. 120 of any United States application(s), or 365(c) of any PCT International application designating the United States of America, listed below and, insofar as the subject matter of each of the claims of the application is not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of USC 112, I acknowledge a duty to disclose information which is material to patentability as defined in 37 CFR 1.56 which became available between the filing date of the prior application and the national or PCT International filing date of this application. This application is a **Continuation-in-part** of a previously filed and co-pending application having the **same title**, the same inventors, and having application #10/805,969 filed **March 22, 2004**.

I hereby declare that all statements made herein are of my own knowledge and are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, United States Code, Section 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

As the named inventor, I hereby appoint Mr. Eric Karich, Registration No. 41,503, to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith. Mr. Karich uses CUSTOMER NUMBER 21704.
